Memo No. S.8481, dated the 24th April 1917, from the Press Adviser to the Deputy Chief Censor, to the First Assistant to the Hon'ble the Resident in Mysore.

I am instructed to draw your attention to the following passage, which occurs in a recent telegram from the Secretary of State:-

"It is desirable to avoid as far as possible discussion of future Mesopotamia in Indian Press"., and to ask that you will please represent to the Editors of Newspapers the objection that exists in such discussion, and to the publication of any articles that are likely to lead to it, should any such items reach them for publication in the future. The reason, of course, is, that the disposal of conquered territory after the war will be the subject of negotiations, the success of which may be prejudiced by premature discussion in the Press.
